F. No. 33-30/2021-MIDH (AAP)

Government of India Ministry of Agriculture & Farmers'

Ministry of Agriculture & Farmers' Welfare Department of Agriculture, Cooperation & Farmers' Welfare (Horticulture Division)

Room No.- 457 Krishi Bhawan, New Delhi Dated: 16th July, 2021

To

Mission Director/Director (Hort.), Government of Maharashtra Sakhar Sankul, Shivaji Nagar, Pune – 411 005, Maharashtra

Subject:-Implementation of National Horticulture Mission (NHM) under Mission for Integrated Development of Horticulture (MIDH) programme -Approval of Annual Action Plan (AAP) 2021-22-regarding.

Sir,

I am directed to convey approval for implementation of National Horticulture Mission (NHM) programme under MIDH in the State of **Maharashtra** during 2021-22 with total outlay of **Rs. 17814.12 lakh** (including Rs. 5391.69 Lakh Spill over activity/Committed liabilities) as per following details:

N. Telephonic and Control Step	SECURE DE LA SECTION		(Rs. In lakh)
	GOI Share (60%)	State Share (40%)	Total
Outlay-2021-22	7453.45	4968.97	12422.43
Spill over Activity/			12 (22, 10
Committed Liabilities	3235.01	2156.67	5391.69
Total	10688.46		17814.12

- 2. The component wise details of Annual Action Plan, 2021-22 indicating physical targets and financial outlay are enclosed. Details are also available on NHM website. The approval is subject to the following terms and conditions:-
- I. The State Horticulture Mission (SHM) may start implementation of the programme for approved components other than project-based activities and submit the proposals for project based activities for approval of Empowered Committee of MIDH.
- II. For the project based activities, for which powers have been delegated to State Level Executive Committee (SLEC), the minutes of SLEC meeting wherein projects are approved may be furnished to this Department along with details of beneficiaries, location, bank loan, etc. to facilitate release of funds.
- III. Expenditure on approved activities must be in conformity with the cost norms laid down in the operational guidelines of the scheme.
- IV. SHM should make advance arrangements for availability of planting material for the ensuing season from the nurseries accredited/certified by NHB and/or licensed by respective State Government and departmental nurseries. SHM should also ensure that seeds are procured from Central/State seed organisations/PSUs including NAFED as far as possible.
- V. SHM should have a mechanism in place for the proper verification and distribution of planting material/seeds. Sourcing of planting material/seeds from NHB accredited/certified nurseries, nurseries licensed by State Governments, departmental nurseries, ICAR Institutes, SAUs, KVKs and Central/State government agencies should be given priority. Area Expansion shall be restricted to availability of planting material from accredited/licensed nurseries and certified seed and planting material.
- VI. Selection of Agencies/Service providers for implementation of different components and activities of the approved AAP should be done at the SHM level through competitive bidding in an open and transparent manner.

VII. The creation of water harvesting structure should be implemented in conjunction with Mahatma Gandhi National Rural Employment Guarantee Scheme (MNREGA) wherever feasible and should be compulsorily linked with the new area expansion and microirrigation programmes. VIII.

The programme for protected cultivation and lining of community tanks/ponds should be taken up in close coordination with the Precision Farming Development Centre (PFDC) in

the State.

Organic farming should be linked to certification by designated agencies. No separate IX. funds will be provided for adoption of organic farming alone. Arrangements should also be made by the SHM or concerned agency for marketing of organic produce. X.

IPM measures should be need based and are to be taken after clearly identifying the problem of pests/disease in the clusters. INM measures are to be adopted in the clusters

to correct soil deficiency and reduce excessive dependence on chemical fertilizers.

Protected Cultivation of vegetables should be promoted under NHM in clusters around XI. major cities/metros. These clusters may be provided with other infrastructural facilities like pre-cooling units, cold storages, reefer vans, vending carts etc. and marketing arrangements may be tied up by linking with cooperatives/private retail chains like SAFAL, farmer markets.

More focus is to be given on enhancing productivity of horticulture crops for the holistic XII. development supported with infrastructure for Pre- and Post- Harvest Management and

Marketing.

- XIII. To improve the productivity of existing old and senile orchards, there is need to identify gaps and revise the existing strategy for achieving the desired results. A proper mechanism needs to be devised to disseminate technology and train farmers on rejuvenation technology. Exposure visit of farmers should be organized to those institutes/places where rejuvenation technology has been developed and also adopted by the farmers. Chief Consultants under NHM will visit the State and discuss this matter with the SHM.
- For implementation of horticulture mechanization, PHM, marketing and mobile/primary XIV. processing activities, SHM should make efforts to organize self-help groups, farmers' interest groups, growers association etc. at local level and also involve Panchayats, Cooperatives, Producers Company etc. Efforts should also be made for buy back arrangements of the horticulture produce. In this regard, SHM is to play pro-active role and should appoint one senior level officer as nodal officer and make him responsible for these components. XV.

SHM should separately submit the details of district wise area covered under Exotic and Niche fruit crops.

Efforts should be made for setting up of crop specific FPOs for exotic and niche XVI.

Supply chain projects should be submitted at the earliest to this Department along XVII. with recommendations of SLEC. Other such pending proposals of previous year, if any, should also be sent within 30 days with necessary compliance. XVIII.

Village specific plans must be prepared for village selected under Indo-Israel Village of Excellence (IIVoE) program and shared with this Department latest by 31st July

2021.

- While implementing the NHM programme, convergence and synergy should be ensured XIX. with the other schemes like Micro Irrigation, RKVY, PKVY, MNREGS, National Mission on Medicinal Plants, AEZs of APEDA, Tribal Sub Plan, Mega Food Parks of Ministry of Food Processing Industries, Watershed Development Programmes, BRGF and Schemes of the State Government.
- SHM should involve State Agricultural University and ICAR Institutes in the State for the XX. extension activities under NHM.
- SHM shall document the Annual Report and Success Stories and furnish them to XXI. DAC&FW.
- The SHM should also conduct Impact Evaluation Study through independent organization XXII. of repute in the State.
- The Audited Statement of Accounts (ASA) for 2019-20 and Utilization Certificate for 2020-XXIII. 21, if not submitted so far, should be furnished to facilitate release of funds during 2021-22.

According to the provisions of the Fiscal Responsibilities and Budget Management (FRBM) XXIV. Act, 2003 and Rules thereof, regular feedback from the implementing agencies on the physical and financial progress of the activities is necessary for periodical review.

State should comply the new guidelines for monitoring and utilization of released funds XXV. issued by Department of Expenditure, Ministry of Finance, Government of India

communicated vide this Department letter no 18-3/2020-MIDH dated 27.4.2021.

The monthly physical and financial progress may be posted on the website XXVI. www.midh.gov.in by the 5th of every month and certified hard copy be furnished to this Department by the 10th of every month following the month under report. Status of project based proposals need also to be uploaded on NHM website.

Expenditure reported in the Utilization Certificate should match with the progress XXVII. reported in HORTNET/DBT portal and will be used to consider the request from State for

release of funds.

SHM should ensure that all capacity building programs should be as per Qualification XXVIII. Pack (QP) of ASCI and only needs to be run in ASCI accredited training Institutes. Required entry of achievement needs to be done on Skill India portal.

It may be noted that the release of funds would be subject to the furnishing of requisite XXIX. information as mentioned above. In addition to that, a mid-term review would be

undertaken at appropriate time.

- In view of the directions of Department of Expenditure, Government of India, SHM is requested to restrict the expenditure under Mission Management activities to bare minimum and need based only.
- No purchase of vehicles and construction of buildings (except those approved under project based activities) are permitted from the funds of MIDH.
- Since MIDH scheme in present form is approved up to 31.7.2021 only, all spill over activities should be completed by 31.7.2021 positively.
- 6. Continuation of MIDH scheme beyond 31.7.2021 is under consideration and the revised cost norms would be shared after approval. Subsequently, SHM may consider to revise their AAP in line with the revised cost norms and components approved for the scheme.
- Approval of AAP may be reviewed /revised at any point of time depending upon availability of budgetary resources in view of prevailing situation due to COVID 19.

Encl: as above

Yours faithfully,

(Harit Kumar Shakya) Under Secretary to Government of India Tel: 011-23388795
