12. In order to abide by the directions of Department of Expenditure, Ministry of Finance to implement 'Just-in-time' budgetary releases and to monitor the end usage of funds, it has been decided to universalize the use of EAT (Expenditure, Advances and Transfers) module and Utilization Certificate (UC) Generation to capture expenditure in Government Schemes to cover all transactions/payments under the Mission for Integrated Development of Horticulture (MIDH). Hence, the expenditure is to be booked using EAT module of PFMS in order to facilitate GoI to monitor and analyze expenditure incurred by the spending units under each of the Government Schemes.
